**01 DR DENNIS GROSS SKINCARE TRIFIX ACNE CLEARING LOTION**  
The brand formerly known as MD Skincare introduces a zit banisher containing oil-absorbing colloidal sulfur, skin-fortifying marine botanicals and anti-inflammatory willow bark. (\$32; Nordstrom, Sephora)

**02 BLISS PORE'FACTOR GADGET**  
This do-it-yourself extractor delivers sonic vibrations to loosen debris in clogged pores, and can also be used to massage skin care products onto the skin's surface for deeper penetration. (\$175; Sephora)

**03 CLINIQUE ACNE SOLUTIONS LIQUID MAKEUP**  
Part acne treatment, part moderate-coverage foundation, the long-wearing formula contains pore-clearing salicylic acid, sebum-regulating sea algae and skin-soothing caffeine. (\$24.50; Clinique counters)

**04 CLARISEA SEASALT SOLUTIONS EXFOLIATING SCRUB**  
Specially formulated for breakouts on the chest, back and arms, this scrub contains 1 percent salicylic acid to slough away dead skin cells. (\$18; clarisea.com)

**05 H2O+ ANTI-ACNE CALMING CORRECTOR**  
Salicylic acid, sea-sourced Neptune kelp and dulce seaweed control sebum production. Glycolic acid prevents new blemishes from forming. (\$24; Ulta)

**06 FIX MALIBU WISH WASH EXFOLIATING POWDER WASH**  
Part of a new line by Malibu-based dermatologist Rebecca Giles, this cleanser contains salicylic acid and ferulic and citric acids in a cellulose base for nonirritating exfoliation. (\$40; fixmalibu.com)

**07 GO CLEAR INTENSIVE ACNE TREATMENT**  
Part of a new line, this blends 2 percent salicylic acid with green and white teas to shrink pimples and calm redness. Evodia fruit extract, used in Chinese medicine, helps skin heal.
